Your 2023-2024 Free Application for Federal Student Aid (FAFSA) has been flagged for “Unusual Enrollment History Review” by the U.S. Department of Education because you received federal student financial aid funds at multiple education institutions during the review period of 2019-20, 2020-21, 2021-22, and 2022-23. This flag requires WSCC to review your enrollment history and determine your eligibility for any future federal student aid. In the process of reviewing your enrollment history, WSCC will check the National Student Loan Data System (NSLDS) to obtain a complete history: the name of institutions you have attended, and the dates of attendance.

Along with this form, we must also review academic transcript(s) showing dates attended and credits earned for all schools attended during the review period (2019-20, 2020-21, 2021-22, and 2022-23).

Please complete ALL steps listed below. Your application for financial aid will not be considered until you submit this completed form and required documentation.

STEP 1: Obtain an official academic transcript for the entire time you received federal student financial aid funds at any/all education institutions during the review period (2019-20, 2020-21, 2021-22, and 2022-23). If you have previously submitted all transcripts to the college, you do not need to submit additional copies.

STEP 2: List below the name of any/all education institutions attended during the review period. If you need additional space, please attach a separate page. Include your name and ID# at the top of each page.
