

HOW TO REACH US:

ADMISSIONS: 740.568.1900

CONTACT:

Adrienne Hellinger, MHA, RRT-ACCS
Respiratory Therapy Director

Phone: 740.885.5690

Email: ahellinger@wscce.edu

Michael Perry, RRT-ACCS
Director, Clinical Education
Phone: 740.885.8953

Email: mperry1@wscce.edu

Medical Director
Dr. Robert McKinley, MD
Dr. Ayla Gordon, MD

MAIL:

710 Colegate Drive
Marietta, OH 45750

CLINICAL SITES:

Camden Clark Medical Center
Genesis Health Care Systems
Dr. Gondalia
Fairfield Medical Center
Jackson General Hospital
Marietta Memorial Hospital (MHS)
Marietta Memorial (MHS) Belpre ER
Mount Carmel Health System
Nationwide Children's Hospital
Rainbow Babies, Cleveland
Saber Healthcare Group
Selby General Hospital (MHS)
Southeastern Ohio Regional Medical Center

CAREER OPPORTUNITIES:

*Work with all ages, from newborns to geriatric patients
*Routine care, critical care, intensive care, or emergency department settings

EMPLOYMENT OPPORTUNITIES:

Hospitals, Skilled Nursing Facilities,
Medical Sales, (DME), Nursing Homes,
Home Care, Sleep Labs

Sub-specialties, including exercise testing,
pulmonary rehabilitation, assisting
physicians with procedures—such as
bronchoscopy & pulmonary function tests,
and diagnostic testing and sleep studies.

IT'S A FACT:

Nearly 70% of WSCO students receive
financial aid.

Respiratory Therapy

THE RESPIRATORY PROGRAM:

Respiratory therapists are an important part of the health care team. Their crucial role in treating and caring for a variety of cardiopulmonary illnesses continues to become more specialized and technical, while demand for their services is increasing. Respiratory therapists perform important life support functions, in consultation with physicians.

The Respiratory Therapy program, (CoArc #200436), awards a two-year Associate of Applied Science from Washington State College of Ohio, 710 Colegate Drive, Marietta, OH, 45750, and is accredited by the Commission on Accreditation for Respiratory Care (www.coarc.com), 264 Precision Blvd, Telford, TN 37690, Ph. # (817) 283-2835. **For program outcome data:**

<http://www.coarc.com/Students/Programmatic-Outcome-Data.aspx>

Upon successful completion of the program, graduates are eligible for the "Entry" level Therapist Multiple Choice (TMC) exam. The "Entry" level exam has two "cut scores". If the student passes the lower "cut score", they will be a Certified Respiratory Therapist (CRT). If they achieve the higher "cut score", they will also be eligible to take the Registry Clinical Simulation Exam. If they pass the second exam, they will be a Registered Respiratory Therapist (RRT).

PROGRAM GOAL:

To prepare graduates with demonstrated competence in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains of respiratory care practice as performed by registered respiratory therapists (RRTs).

The goals are demonstrated by the students' ability to:

- Goal 1: Communicate effectively with patients, physicians, and other members of the healthcare team.
- Goal 2: Continue as an independent learner by demonstrating upgraded job skills and keeping pace with the changing healthcare field
- Goal 3: Demonstrate a knowledge of human behavior, diversity, value systems, ethics, and cultures in healthcare.
- Goal 4: Use critical thinking skills to provide appropriate treatment, assessment, and care of patients with cardiopulmonary problems using knowledge of cardiopulmonary anatomy, physiology, and pathology.
- Goal 5: Problem solve and troubleshoot respiratory therapy equipment and the patient-equipment system using knowledge of the function and design of that equipment.

ENTRANCE REQUIREMENTS:

1. Complete a Washington State College of Ohio application for admission
2. Criteria for admission to the Respiratory Therapy Program are as follows:
 - High School (or higher) Biology and Chemistry with a grade of C or higher (Applicants currently enrolled in, or scheduled for these courses may still apply)
 - High School (or higher) Algebra within the last 6 years with a grade of C or higher (Applicants currently enrolled in, or scheduled for, college algebra may still apply)
 - GPA of 2.75 or higher (current, or most recent)
 - Interview with Program Director and Director of Clinical Education
3. Complete the Respiratory Therapy Program application for Admission at <https://www.wscce.edu/academics/health/respiratory-therapy/>
The Respiratory Therapy application includes a short essay, and the submission of 3 work or school-related references. References from family members or friends will be rejected. We recommend that you prepare your essay on why Respiratory Therapy appeals to you and that you have emails for your chosen references ready prior to beginning the Respiratory Therapy application.
4. Submit an official high school transcript or GED
5. Submit all high school or college transcripts showing completion of prerequisite Algebra, Biology, and Chemistry courses.
6. Applications are not considered complete until all transcripts, required prerequisite courses, and references are received.
7. All communication regarding an applicant's acceptance into the program will occur using the student's Washington State College of Ohio email.

*Admission to the Respiratory Therapy Program is limited and admission is done on a selective basis.

*Applicants are urged to apply early.

RESPIRATORY CARE PROFESSION

Rev. 11.8.2023

Associate in Applied Science Degree for Direct Employment

Student: _____ To be eligible for graduation, a student **must complete all** general education courses listed below with a "C" or better **and** all respiratory technical courses with a "B" or better **and** maintain a cumulative GPA of at least 2.0. **You cannot be accepted with a GPA lower than 2.75.**

Phone #: _____

Date Enrolled: _____

***Program Prerequisites "C" or higher in the following courses:**

1. High School Algebra or Equivalent or Higher
2. High School Chemistry or CHEM 0955 & CHEM 095L or Higher
3. High School Biology or BIOL 0955 & BIOL 095L or Higher
