

CAPITAL SCHOLARSHIPS

Your academic talent is impressive, but we see so much more in you. Your job. Your care for others. Your involvement in the community. Your leadership, research, and performance ability. Capital is interested in all of you - everything you bring to our community.

WE CONSIDER MORE THAN GPA AND TEST SCORES WHEN AWARDING SCHOLARSHIPS.

Our holistic approach shows we see more in you. We see your potential.

Our merit awards start at \$20,000 per year (\$80,000 over four years) and additional merit awards can provide even more depending on academic, community, and leadership experience. We also invite people to compete for a limited number of full-tuition scholarships.

Capital invests more than \$50 million annually in providing scholarships and grants to help families afford the Capital education. We believe in you - and it - that much.

You're investing in more than a piece of paper. You're investing in you. And we're investing in you. Because we believe in potential. Together, there's nothing we can't do.
